Parallel Workshop 1 – For Kidney Foundations

Making Kidney Foundations Successful

1330-1500 **New Kidney Foundations Workshop** *Chairs - Charles Kernahan/Paul Beerkens*

Objective To identify the needs for not-for-profit organisations operating in developing and unrepresented geographies.
Identify Target areas and common themes that may result in guidance to emerging organisations. New Foundations should examine why they exist, what service/support they supply & is this satisfying the biggest need in geographical area.
Examine How any agreed services/support could be funded in our current financial climate.
Conclusions Make suggestions and recommendations to the IFKF Board on how these ideas could be supported.

Workshop Groups

- Do we need new Foundations?
- Why, where and what do they need to focus on?
- How can they support / fund their activity?
- How can IFKF support their development?

Presentations, discussion and questions
